

Dear Parents,

Global Greetings!

Subject: Encouraging Academic Excellence in Our Students

We hope this letter finds you well. As we begin the II Term, we are excited to introduce a new initiative aimed at fostering a love for learning and promoting academic excellence among our students.

Learning Incentive Program

To motivate our students to excel in their daily lessons, kural recitations, reading, writing, and speaking, we are launching a Learning Incentive Program **TREAT TO LEARN**. This program aims to:

- ✚ Encourage active participation in class
- ✚ Improve academic performance
- ✚ Develop a growth mind set
- ✚ Reward students for their hard work and dedication

How it Works

- ❖ Students who demonstrate exceptional learning habits and academic progress will be rewarded with a stationery item of their choice at the end of each week/month.
- ❖ Teachers will monitor student progress and identify deserving students.
- ❖ Rewards will be given based on individual student achievement, not comparative performance.

Eligibility Criteria

To be eligible for the reward, students must:

- Attend classes regularly
- Actively participate in lessons and activities
- Complete homework and assignments on time
- Show improvement in their academic performance

Benefits

This program will:

- ✚ Foster a positive learning environment
- ✚ Encourage students to take ownership of their learning
- ✚ Develop confidence and self-motivation
- ✚ Improve overall academic performance

Your Support

We kindly request your support in reinforcing this initiative at home. You can:

- ❖ Encourage your child to share their learning experiences with you
- ❖ Ask about their daily lessons and progress
- ❖ Provide a conducive study environment
- ❖ Celebrate their achievements and progress

Implementation

This program will commence from the start of the II Term and will continue throughout the academic year.

We believe that this initiative will have a profound impact on our students' academic journey and look forward to seeing the positive results.

Thank you for your continued support.

Sincerely,

M. Kanthimathi

Secretary
